Nanotech Dubai 2015 Sessions Chairs

Nanotech Dubai 2015

Nanotech Dubai 2015 is one of the most important and prestigious Nanotech events in the region and the world. It brings together leading scientists, researchers, engineers, practitioners, technology developers and policy makers in nanotechnology to exchange information on their latest research progress, innovation and business opportunities. The conference welcomes the participation of private companies. It's unique venue for companies to promote equipment and technology. The conference covers all topics in nano-science and nanotechnology. The conference includes plenary lectures and invited talks by eminent personalities from around the world in addition to contributed papers both oral and poster presentations.

Prof. Mohammad Reza Ejtehad
Sharif University of Technology,
