Introduction

Global Advanced Materials and Surfaces - GAMS 2022 is a three day International event organized between 15 - 17 June 2022 in Paris, France jointly to **Nanotech France 2022**, **NanoMatEn 2022** and **NanoMetrology 2022** and **Biotech France 2022**.

GAMS 2022 provides an opportunity to researchers and industry practitioners to share their new ideas, original research results and practical development experiences. It covers research results dealing with the in-depth understanding of the relationship between the structure, the properties or the functions of all types of materials. Materials include metals, ceramics, glasses, polymers, energy materials, electrical and electronic materials, composites and hybrid materials, Bioinspired and Biomimetic Materials, biological and biomedical materials fibers, nanomaterials, nanostructured materials, nanocomposites, functional materials, surfaces and coatings, etc. Chemical syntheses, chemical structures and mechanical, chemical, electronic, magnetic and optical properties and various/ emergent applications will be considered

The event topics of interest includes, but is not limited, to the following:

- Materials Synthesis/ engineering and Processing
- Modelling and Simulations
- Materials characterization and properties
- Metals and Alloys, Ceramics, Polymers, glasses, etc
- Advanced Materials
- Nanomaterials, 2D materials and Graphene
- Functional and multifunctional Materials
- Metamaterials
- Composites and hybrid materials
- Novel, intelligent and Smart Materials and Systems
- 3D Materials
- Surfaces, Interfaces and coatings
- Surface diffusion and growth
- Surface phases and phase-transitions at surfaces
- Biomaterials, Biodevices and tissue engineering
- Drug delivery materials and systems
- Bioinspired and Biomimetic Materials
- Chemical Materials
- Energy Materials and Harvesting
- Materials for Electronics and Photonics
- Optical/Electronic/Magnetic/ Sensing Materials
- Renewable, Environmental and Green Materials
- Building Materials

The main objective the conference is to foster knowledge transfer and exchange of experiences amongst delegates with academic and industrial backgrounds. The **GAMS 2022** will offer you the:

- **Visibility** – present your research work and your group achievements (Oral or poster)
- Opportunity to improve your **presentation skills**- over 150 available oral slots
- **Be a Winner** – Three attractive awards for best posters
- **Networking/ Collaborations** – meet experts from academia and industry and build valuable partnerships.
- **Publishing opportunities** (Optional, not mandatory)
- Attend **four conferences at one place**: GAMS 2022 participants have access to the above cited **four joint conferences** entire program.

Sponsorship Opportunities

Why to become an exhibitor

- Exhibiting provides a good opportunity to showcase your products and services and meet with key international Nanoscience and Nanotechnology players. This opens new business opportunities for your organization.
- Establish and strengthen your company's standing within the scientific community and maximize your exposure in the nanotechnology area.

Exhibition Standard Package fees € 2400 + 5% VAT

Included with the Exhibition Standard Package:

- 6 m2 area with one table and 2 chairs
- One person to attend the Exhibitor Stand with Coffee breaks and lunches included.

Exhibition Plus Package fees € 2900 + 5% VAT
