## Introduction

**Nanotech France 2024** brings together leading scientists, researchers, engineers, practitioners, technology developers and policy makers in nanotechnology to exchange information on their latest research progress and innovation.

Participants from the top international academic, government and private industry labs of different disciplines participate in Nanotech France 2024 to identify new technology trends, development tools, product opportunities, R&D collaborations, and commercialization partners. It is an excellent event for students to meet and discuss with lead researchers. The conference covers all frontier topics in nanotechnology. The conference includes plenary and keynote lectures, oral presentations, and posters sessions, presented by academicians and industrials.

The 9th edition of Nanotech France 2024 will be organized jointly to:

- **GAMS 2024**
- **NanoMatEn 2024**
- **NanoMetrology 2024**
- **Biotech France 2024**
